Poster ‘Europe, Our Future,’ distributed by the European Commission in the early 1980s to build a European image and identity in the context of the “People’s Europe” agenda. Granted by the Historical Archives of the European Union (NDG-1).

The European Parliament Former Members Association and the Historical Archives of the European Union, together with the Wilfried Martens Centre for European Studies, the Foundation for European Progressive Studies, the European Liberal Forum and the Green European Foundation, invite you

to reflect on the role of parties and foundations, taking into account the proposal formulated by the FMA for the “Conference on the Future of Europe,” which is the result of the work carried out by the prestigious members of the ad hoc “Reflection Group”.

Event coordinated by Monica Baldi, Dieter Schlenker & Teresa Riera Madurell
